Follow the link to the updated log that I did. The fourth tab indicates the peoples availability for rotation so far.

Also, I deployed today Janice Pearson for Logistics she should arrive tonight or in the morning, she is driving. I have her scheduled for two weeks. I was under the impression that Lisa Lloyd was going or is down there but apparently not, do we need to find another SUL or Luke are you going to help with that since Kathie is there with you? Bob Brobst can't come down until Monday.

Let me know.
